**Dates in red will take place away from the hut and will require parental consent!**

Please remember to keep you cubs details up to date as well as your subscription as your cub may not be insured.

It is a condition of membership that parents agree to assist with at least one pack meeting per term (those with two children in the pack may be asked to help twice). If you are unable to help on the evening requested it is **your** responsibility to arrange for another parent to take your place. Should this be the case, please inform Akela of the swap!
