<p>All Parents/guardians sign an agreement when their child joins the group to give up some time to assist with the running of whichever section their child belongs to at the time. It is essential for the safety and wellbeing of the children in our care that all parents/guardians adhere to that promise. If, for whatever reason, you cannot attend on the evening allocated to you, it is your responsibility to arrange a 'swap'. The quality of care for our cubs depends upon it.</p>
